

HealthConnect (For the Uninsured)

HealthConnect is an exciting community based medical outreach program designed to "connect" uninsured families with the medical services and health care programs that they need. The most visible part of the HealthConnect program is a special van which transports health care services throughout the community. All tests and exams ordered through this program are provided free for those who meet program guidelines, and there is often assistance with medical supplies and prescription medications.

Qualifications:

Have no medical insurance
Reside in WellSpan Health service region
Have a healthcare problem that can be addressed through the mobile clinic
Do not have Medical Assistance (CHIP), Medicaid, Medicare, or other federal funding for health benefits.
Have a household income at or below 200 percent of the federal poverty level.

Services Offered:

Treatment for minor illnesses (sore throat, cough)
Preventive health immunizations
Treatment for minor injuries (cuts, sprains, etc.)

School/work physicals
Health Education and promotion services
Referrals for specialized care
Assistance with MA/CHIP and HYN applications

HealthConnect is a walk-in service and accepts the last patient half an hour before closing. HealthConnect reserves the right to close any clinic prior to the stated closing time due to excessive patient volume. HealthConnect does not operate on major holidays or in bad weather conditions.
